Yuki Misago

You'll miss a CG in the end. Don't Worry about it, you'll get it later.

- Women
- It's used, but do you want this one?
- Talk back to her
- Don't worry. I'm okay
- Refuse her offer
- Another brand-new day, huh?
- Yes, I did
- Yell at her for seeing it
- ...Not quite
- I'll leave!
- I don't want this
- That's not my intention
- Touch her butt
- Too delicious!
- Tell her it's bad
- I had nothing to do otherwise
- Wow, you're good at it
- No! It's not fun at all!
- Don't bother me now
- You're not good at it, huh?
- Yell at her
- I'm merely returning your kindness
- It's my job
- I'll leave here
- Tell her I'm working
- I'm discouraged with my stupidity
- I want to stay cool
- You speak like a boss at least
- So it must be fast AND precise
- No, I don't think so
- See Misago
- The soft melody is just like you
- Agree with Misago
- Tell her honestly
- Do you have a problem with that?
- Don't tell her

- It's too late.
- Ask her what her favorite music is

- Don't worry. Great job!
- I don't know
- Tell her I'm working
- I'm discouraged with my stupidity

You'll have to choose between only one of the 3 Sisters (Misago, Tsugumi and Kobato).

Any choice will be fine.I tried all the possibility and the only difference is which scene come first(But i still advice you to do it).Also you'll get the Misago missing CG.

After that you'll have a last choice : To let Hina join the Harem or not.Save here... Because this choice lead to two different ending.

- If you don't let Hina join, you'll get the Harem Ending with only the 3 Sisters. (Misago, Tsugumi and Kobato).
- If you let Hina join, you'll get additional CG for Hina (Hina with Glasses FTW :p) and the Harem Ending with all the girls (Misago, Tsugumi, Kobato, Chidori and Hina).
