/!\Important Note/!\

The Download Edition of Figures of Happiness have some important bug in the choice text.

- When the choice for Follow Mao or not appear, the Choice's text will the same that the previous.
 - For going to the hospital with Mio choose : Dash and shake her off!
 - For Follow Mao choose : Make excuses
- In Mio Ending #2 Confess and Don't confess are switched. So Confess = Don't confess and Don't confess = confess
- In Kokoro Ending Favor her and Don't favor her are switched. So Favor her = Don't favor her and Don't favor her = Favor her

That's all.
