## The Missing CG

So, you have a Missing CG in the Others Galery huh?  
You tried all the choice while using the Skip Already Read function huh?  
But still no CG...

Well, in fact, it's really easy to get it, and it's like a little ending ^^.

So, go into your **Extra** and then choose the **Scene** Galery.

If you pay attention you'll see a **Bonus Scene** at the End of the Galery...Just play it and you'll get your Missing CG ;)  
(It's not an Ero one by the way ^^).
